A few thoughts before we start

- I may contradict some things that you've heard from other people.
  - Wise people will disagree.
  - We'll try to separate what's useful from what's not.
  - Ultimately, you need to learn things in a way that help you the most.
- This is your class

Questions?

Know your laptop   10

Learning about technology
How the experts do it

Know your laptop   11

They're curious
But they have a purpose to work, play, and learn

Know your laptop   12

They learn from each other

And teach their elders

Know your laptop   13

They practice

So that's what we'll do

We'll learn like kids. We'll
‣ Identify our goals
‣ Learn from each other
‣ Practice

And, because we're grownups, we'll also learn about
‣ Password management
‣ Backups
‣ Virus protection
‣ Helping those who help us
